Game Day Sunday is on the way! And, you don't want to miss the great morning we have planned. Jason Bernick will be joining us that morning. First, he will speak at our breakfast at 8:45 a.m. in the Fellowship Hall. Then he will bring the message during our Sunday morning service. Jason is the FCA Multi-Area Director for Florida and Georgia. I recently heard him share his testimony at an FCA banquet and it was tremendous. Check out the link below to hear a message he gave at Fellowship Baptist Church in Tallahassee last year. He formerly played hockey and was the chaplain for the Miami Dolphins. It will be great!

Don't forget to wear your favorite team colors that day!

Here is the schedule for Game Day Sunday, February 5th:

8:45 a.m. – Fellowship Breakfast with Jason Bernick

9:45 a.m. – Sunday School

11:00 a.m. – Morning Worship Service with Jason Bernick

We will not have a regular Evening Worship Service that day but invite everyone to join the youth in the fellowship hall at 6 p.m. for their annual Super Bowl party. Awana will meet for Store Night that night.

Come out and enjoy the fellowship.

Blessings,
Pastor Chris

YOUTH NEWS:

steve@bemiss.com

Youth Minister
Steve & wife Tami

I'm losing control!

That statement may make most think that I have lost my senses. When in fact it may mean that I have finally come to them!

Every day I watch people fight for control; parents with children, children with parents, husbands with wives, wives with husbands, supervisors with employees, employees with supervisors, Republicans with Democrats, Democrats with Republicans, Christians with God! This entire struggle is futile. We waste so many hours trying to decide who's in charge that nothing else seems to get accomplished. In fact, the only thing that seems to be a constant is that relationships get destroyed.

You may have noticed in my earlier examples that the only struggle for control that is not two-sided is our struggle with God! God never must fight for control because it always has and will always will be His! In His infinite grace, He allows us to find this out on our own. It is only when we finally lose complete control that God is able to work in and through us.

It took the whale taking all control from Jonah before he would listen to God's Direction. It was when all seemed lost that the Roman soldiers heard God's word through Paul. Even the disciples waited until the storm surpassed their own skills, before they turned to Jesus. The truth that I have learned through the guidance of scripture is Trust! You must trust someone before you hand over control whether it's your children, your spouse or your supervisor, the more you trust them the more control you're able to give them!

If we are not giving God control of our life, we are simply showing that we do not have the faith and trust in Him that we should! If we want to see God move in and through we must give Him control!

**All things in Christ!

WORSHIP MATTERS:

fbqworship@hotmail.com

Minister of Music John
& wife Jeanette

Sing God's Word

Music helps us express our unity in the gospel.

In Scripture, the overwhelming majority of references to singing are corporate. People are not singing alone but together. Singing glorifies God by expressing the unity we enjoy through the gospel.

Different styles of music can be brought together in one meeting. More importantly, the church can be taught that setting aside their musical preferences for the sake of others is obeying Philippians 2:4.

The determining factor in our unity is not musical styles – it's the gospel.

I look forward to seeing you Sunday,

John

If you wish to provide an arrangement for the sanctuary anytime during 2017 please choose an available "Sunday's" date on the Flower Calendar located beside the nursery.

If you normally provide flowers 'annually' for an occasion (ex. In Memory or In Honor), an attempt has been made to reserve 'your annual date'. To avoid confusion, please check to make sure your date(s), or the Sunday as close as possible to the date of your special occasion, has been properly reserved.

Thanks,
 Phyllis Hubert, Church Decoration Committee
