Summer is here, and as long as the weather cooperates we will be at the Brooks County Recreation Fields on the Moultrie Highway this Sunday evening, July 1st, from 5-8 p.m. In the South you never know what you're going to get in the way of weather no matter what season. Plan to bring the family and invite some friends to join you. The good news is, as of right now, there's only a slight chance of rain. So, bring an appetite, your sunscreen, bug spray, hats or umbrellas for shade and chairs if you don't want to sit on the bleachers.

As you know our First Baptist Church family's life is busy. Sometimes insanely busy. I'm sure many of you can relate in your personal family too. It's so easy to get caught up in the hustle and bustle during the week that you forget about the things that are most important. For me, that's spending quality time with my family. I love just the time I get to spend with them. We are planning some important family fun evenings beginning in July. Be thinking about how you might like to share with our church family.

I pray everyone has a happy 4th of July and that you stay safe and remember to thank God for all of our many blessings.

All things in Christ,  
Steve Shierling

**Myths about teaching Sunday School**

**Myth #1:**  
 You have to know the Bible backwards  
 and forwards if you're going to teach

**Myth Busted!**  
 Reading the Bible is a great practice for your own faith,  
 but you don't have to be a Biblical scholar to teach  
 children about God. What's important is that you take time  
 to familiarize yourself with the Bible story in your lesson  
 so that you can teach with confidence.

**Don't forget:**

**Help Save a Baby's life;**  
**pick up a baby bottle**  
**fill for Options Now**

**REMEMBER IN PRAYER**  
 Pray for members known to have recently had
