ANNIE ARMSTRONG EASTER OFFERING North American Mission Board

The windy month of March is upon us. The professional baseball teams are in the field. I don't have to worry about windblown hair or being called up to play for the Braves! I just must make sure I stand firm on the word of God!

As Christians we need to stand solid on our faith, not changing because of popularity or public pressure. Ephesians 4:14 states: "Then we will no longer be little children, tossed by the waves and blown around by every wind of teaching, by human cunning with cleverness in the techniques of deceit." Our word should also be solid, as the Bible tells us, let our "yes" be "yes" and our "no" be "no!" Whatever we say or commit to, we should give every effort to fulfill it.

All Christians should be well respected for standing true to their word. Whether it's being somewhere on time or keeping an appointment, our word should always be trusted. Let us be known as men and women with soft hearts that stand firm on the foundation of Christ.

All things in Christ!  
Steve Shierling

**YOUTH & EDUCATION MINISTRY:**

[youthpastor@firstbaptistquitman.com](mailto:youthpastor@firstbaptistquitman.com)

Rev. Nick Hampton  
Associate Minister of  
Youth & Education

God give me a sign! Sometimes we ask God to give us a sign but are we really willing to watch for it and even follow it when it comes? This past week I was driving to a funeral and saw two road signs that said the road was closed ahead. I wasn't willing to follow the road signs, so I ended up having to take a long detour and was late getting where I was going. God sends us signs in our life all the time but they don't usually come the way we think they will. They don't look the way we expect them to or even give us the answers we're begging for. We have to be willing at every point in our life to follow the signs as God directs.

In this journey we call life we may have to take a longer route to get to our destination and that can be frustrating, but we must remember that sometimes God may be keeping us from running into a major road-block that will stop us right in our tracks.

Serving Him,  
Pastor Nick
