I think that most of us at some point in time of our lives, have found ourselves daydreaming about finding buried treasure or a suitcase full of cash on the side of the road. Some golden opportunity to change our lives in a positive direction, permanently. Maybe on a more realistic note we keep looking for that million dollar idea, invention or job that would relieve all financial stress forever.

It's nice to daydream, but we can't get stuck there. Instead let's start looking for that golden opportunity to be a 'life change' for someone else. Diligently looking for someone who is having a bad day, a person in morning, or one who desperately needs salvation. You could be that once in a lifetime opportunity to permanently change someone's life and even their eternity!

All things in Christ!

Please feel free to drop by whenever you can - you may stay until the completion or however long you're available. We will have chairs outside for those that feel they can't help much and wish to be here simply to fellowship, encourage and pray for the efforts of those decorating. Many are blessed
