Pastor Steve &  
wife Tami

Last week I was sitting in a local restaurant and noticed a woman wearing a t-shirt that proclaimed on the front "y'all need Jesus". Now you may think that I would be a big supporter of this fashion statement, but the truth is, I am anything but! That statement is as far from anything I would support as you can get. In my opinion, it is one of the things that is destroying the church. It puts the Christian in a judgmental view instead of looking inward in self-examination. We should work on ourselves and let the world see our need and dependence on Christ, instead of pointing out the sins of others. So, if you're ever looking to get me a t-shirt, make sure it proclaims "I need Jesus"!

All things in Christ!  
Steve Shierling
