Pastor Chris & wife Elisabeth

I read a story recently about a father and a son who could not hear. The father was born deaf, had married, and then had a son that inherited his father's deafness. Through modern technological advancements, a new procedure was available that may give their son the ability to hear. Upon learning this, the mother was excited. The boy's father, at first, objected. He liked his son the way he was. As the two talked it over, the father eventually allowed the procedure to take place. The implant was successful and the boy could finally hear. The change, the parents observed, was remarkable. It clearly had opened a new world for their child. As the father observed this change, he decided to give in and allow the procedure to be done for himself. The video that accompanied the article I read showed the moment when the father and son could hear each other for the first time. The father shared his excitement with being able to hear and his desire to experience things he couldn't before. A new world had opened to him.

A father who couldn't hear his son and a son who couldn't hear his father. Even before the procedure, they still communicated. But, being able to hear dramatically changed everything and took their relationship to a whole new level.

I imagine there are those in the church who have a "hearing" problem. People who communicate but still can't hear each other. I don't mean they are physically deaf. But, because of pain or because of misunderstandings, they can't hear each other. When this is true, what is needed is a new implant. A spiritual implant. As God implants His love, grace, mercy, and forgiveness in our hearts, it helps us hear and opens a new world to us. It can deepen relationships, heal wounds, and give us a desire to experience more of the abundant life Jesus offers.

James 1:19-20 "So then, my beloved brethren, let every man be swift to hear, slow to speak, slow to wrath; for the wrath of man does not produce the righteousness of God."

Eternally His,
Pastor Chris Hilliard

YOUTH NEWS:

Youth Minister Steve & wife Tami

The youth, our volunteers and I had a fabulous time at Christ Fellowship in Valdosta GA. We were fed both physically and spiritually. Burgers and hotdogs when we arrived and they even had a door prize of a free i-Pad that Ramsey Wisenbaker won! There was worship music from the band "Ocean floor", we heard a phenomenal testimony from a young lady who God has rescued from a life of sin! Our youth performed the skit, for their congregation, that they had done for our church's Homecoming. So not only were we blessed by their Ministry they were also blessed by ours!

Our Quitman First Baptist Youth Ministry has become a program where teenagers are not only being disciplined they are ministering to others at the same time!

All things in Christ!

Amazing Grace! How Sweet the Sound

Words by John Newton and John Rees

John Newton was a slave trader in the 1700's, whose life was dramatically changed after a fierce storm. God used the book, "The Imitation of Christ" to lead him to a genuine conversion.

Until the time of his death at the age of 82, John Newton never ceased to marvel at the grace of God that transformed him so completely. Shortly before his death he is quoted, "My memory is nearly gone, but I remember two things: That I am a great sinner and that Christ is a great Savior!"

What Amazing Grace!

John

Mission News:

Pray for us, Tommy and Barbara Waldron and Scott Hockenbury, as we leave on May 11th for Peru, returning May 22nd. Many people are still in recovery mode from the devastating floods that occurred this year. Pray that our eyes and hearts will be open to those who suffer. Pastor Romulo (He is the Pastor at Concepcion) and his wife recently had a baby girl. The Pastor who is in charge of one of the soup kitchens in Huancayo) named Samuel, and his wife, Patty are expecting to deliver their baby during the time we will be in Peru. Pray for these babies. Pray for the work God has for us to do and the people we will be in contact with. Please pray for our traveling safety. We will be flying out of Orlando to Panama and then on to Lima. Thank you for supporting this and all work done by us through your son Jesus Christ
